2021

# Student Presentation Competition

## Rules & Guidelines

**kinaxis**

The Smart Freight Symposium 2021 Student Presentation Competition seeks to highlight students and their research and showcase their talents to some of the industry's top firms.

### RULES

- The competition is open to all students pursuing graduate or undergraduate degrees at the Smart Freight Centre (SFC) partner Universities.
- Students will conduct a live presentation that will be evaluated by a panel of judges from the industry.
- The student presenting must be the principal author of the research.

### SUBMISSION PROCESS & CONTEST DEADLINES

- Three students are selected by their respective supervisors from each of the SFC Partner Universities.
- Supervisors should send their students' presentation details (Name of Presenter and Title) by 11:59 PM Eastern on October 1, 2021.
- Contestants must submit their presentation slides by 11:59 PM Eastern on November 25, 2021 via the MacDrive Upload site. A link to upload your presentation will be sent to each participant prior to the deadline.
- Presentations and winner announcement will be on November 26, 2021.

### PRESENTATION/COMPETITION FORMAT

- The presentation should begin with a professional title slide indicating the presenting authername, listing all author names, affiliations, and project title.
- You are permitted to show logos of funding sources; however, explicit advertisements are NOT permitted.
- Your presentation should be between 10 minutes in length. For every 15 seconds over 10 minutes, you will receive a 1-point deduction.

### SCORING

- A scoring sheet will be sent to the participants before the event.

### AWARDS

- The first winner will get \$1,000 through a generous support by Kinaxis Canada.
- Winners will be contacted by SFC with instructions on receiving their award.
